In the Matter of the Petition of
Public Service Electric and Gas Company
for Approval of a Solar Generation Investment
Program and an Associated Cost Recovery Mechanism
BPU Docket No. EO09020125

VIA E-MAIL AND REGULAR MAIL

Irene Kim Asbury, Secretary New Jersey Board of Public Utilities 44 South Clinton Ave., 3rd Fl., Suite 314 P.O. Box 350 Trenton, New Jersey 08625-0350

RE: SOLAR 4 ALL MONTHLY ACTIVITY REPORT – JUNE 2017

Dear Secretary Asbury:

Pursuant to the Board's August 3, 2009 Order in the above referenced matter and subsequent discussions between PSE&G and Board Staff, enclosed are copies of the confidential and redacted public versions of Public Service Electric and Gas Company's Solar 4 All Monthly Program Activity Report for June 2017 ("Report").

As indicated, the Report contains proprietary, commercially sensitive financial information and portions of the Report are entitled to confidential treatment pursuant to Board regulations set forth at N.J.A.C. 14:1-12. Accordingly, PSE&G requests that the Board accord the redacted portions of the Report confidential treatment in accordance with those regulations, and that the redacted portions of the Report not be subject to public disclosure. In support of this request PSE&G submits the Affidavit of Todd Hranicka. Public Service is also serving Rate Counsel with the public and confidential versions of the Report and with Mr. Hranicka's Affidavit. By copy of this letter, it is respectfully requested that Rate Counsel maintain the confidentiality of this material as well.

Note that the electronic submission of this material includes only the public version of the Report and Mr. Hranicka's Affidavit; the confidential Report is being provided via regular mail.

Please advise if you have any questions or comments.

Respectfully submitted,

Matthew M. Weissman

C Scott Hunter
Rachel Boylan
Linda Wetzel
Stefanie Brand
Felicia Thomas-Friel

STATE OF NEW JERSEY

SS:

COUNTY OF ESSEX

Todd Hranicka, being of full age and duly sworn deposes and says:

- 1. I am the Director of Solar Energy for Public Service Electric and Gas Company ("PSE&G") and, as such, I am responsible for reporting to the Board of Public Utilities ("Board") status updates for the PSE&G's Solar 4 All Programs as approved by the Board in an Order Approving Stipulation, In The Matter of Petition of Public Service Electric and Gas Company For Approval of a Solar Generation Investment Program and Associated Cost Recovery Mechanism, dated August 3, 2009, under Docket Number E009020125.
- 2. I make this affidavit in support PSE&G's request for confidential treatment of portions of its Solar 4 All Monthly Activity Report ("report") that has been filed with the Board.
- 3. Project specific cost information, ("Confidential Information"), which the Board has requested be included in the report, is proprietary, commercially sensitive financial information. If this data were publicly available, PSE&G's competitors would have access to this commercially sensitive information. Access to this Competitive Information would provide these competitors with an informed understanding of how PSE&G bids for specific projects and potentially permit the competitors to develop strategies to gain an unfair advantage in the solar marketplace in which PSE&G participates.
- 4. PSE&G has taken purposeful measures to prevent dissemination of the Competitive Information. Access to the information is restricted to a small number of people within PSE&G. The Competitive Information is not contained in materials that are available to the general public.

- 5. PSE&G requests that the Board maintain the confidentiality of the Competitive Information for an indefinite period of time. The release of PSE&G's Competitive Information from the past years may enable PSE&G's competitors to make an educated guess at PSE&G's current bidding process. For this reason, the confidentiality of the Competitive Information should be maintained for an indefinite period of time.
- Therefore, the Board should grant PSE&G's request for confidential treatment of 6. a portion of the report, redacting the specific project cost information. A proposed form of a redacted report is being filed with this affidavit.
 - I swear that the foregoing statements are true to the best of my knowledge. 7.
- 8. PSE&G submits the following as the addressee for communications from the custodian for this information under N.J.A.C. 14:2-12.1. et. Seq. The Company hereby requests that all custodian communications (oral and written), including, without limitation, the notices listed in N.J.A, C. 14:1-12.7 and 12.9 be directed to the following designee:

Matthew M. Weissman, Esq. General Regulatory Counsel – Rates Public Service Electric and Gas Company 80 Park Plaza - T5G Newark, New Jersey 07102 Tel. No. (973) 430-7052 Fax. No. (973) 430-5983

E-mail: Matthew. Weissman@pseg.com

Notes

- 1) "SREC's Sold" and "SREC Revenue" includes vintage year 2011 through 2017 SRECs
- 2) Monthly "Pole-attached Units Installed" & "Pole-attached MW Installed" are preliminary estimates and subject to change. Adjustments to prior months will be reflected in YTD values. Capacity specified in certain previously filed capacity reports represented gross installed capacity. The values shown in the table above account for net installed capacity (total installs minus total removals).
- 3) "Pole Attached Units Communicating" represents the average, daily number of panels that communicated during the month.
- 4) The columns "Energy Produced" and "SRECs Sold" do not sync because of the timing of SREC auctions, through which SRECs are sold.
- 5) Business interruption insurance recovery received for lost energy sales and SREC sales due to Superstorm Sandy

Total S4A Fleet Performance:

• June weather conditions were favorable for solar production. Actual monthly production compared to plan is +5%.

Seg2 (Pole Attached Solar):

- Development of communications network continues.
- Ongoing maintenance of existing installations continues.
