

NOTICE: Please see the Straw Proposal for Proposed Revisions to the FY2015 Sustainable Biopower Competitive Solicitation at the link below. The proposed changes contained in this document were prepared based upon discussion that occurred at the June 26, 2014 Biopower Technical Working Group meeting. This document references the FY2014 Sustainable Biopower Competitive Solicitation, which may be downloaded by clicking the link below.

A 30-day public comment period begins on the July 22, 2014 issuance date of this straw proposal. Please submit all comments in writing to publiccomments@njcleanenergy.com by 5:00 pm on August 21, 2014. Comments will be posted on the "Policy Updates and Request for Comments" page on the NJCEP website following the end of the comment period and considered by Staff in developing the FY2015 Solicitation that will be presented to the Board for approval at one of its regular agenda meetings.
