Subject: Solicitation for Proposals to Develop Off Shore Wind Renewable Energy Facility
Supplying Electricity to the Distribution System Serving New Jersey

Date: November 15, 2007

Because of the volume of comments the timeframe for posting the responses to questions has been extended from November 15, 2007 to December 5, 2007. The submittal of any proposal is also extended for a similar 20 days to February 5, 2008. Within that response document the issue of extending the timeframe for the submittal will be addressed.
