

Notice of Energy Efficiency Committee Meeting

Date: Wednesday, October 27, 2021

Time: 1:00pm – 2:30pm EST

Location: https://trccompanies.zoom.us/webinar/register/WN_QX0nSLOQROaxnhUYrDODmw

The agenda is posted on the [EE Committee webpage](#). This month's meeting will include a presentation by George Chapman, Senior Manager, National Codes and Standards. The topic will be **COVID-19 Supply Chain Assessment: Program Impacts and Opportunities**. The presentation will provide insights and perspective regarding the ways in which the COVID pandemic has impacted markets critical to successful efficiency program implementation. The presentation will address both international supply chain considerations and local market and workforce implications that have introduced unprecedented challenges for programs related to HVAC, water heating, foodservice and more. The presentation will also incorporate strategies for addressing some of these challenges and opportunities to expand the impacts of programs in markets struggling to overcome significant economic downturns brought on by the pandemic.

If you would like to submit questions to be addressed at the meeting, please send an email to energyefficiency@bpu.nj.gov.
