# New Jersey's Clean Energy Program

## Purchase a Certified Clothes Washer and Get a Rebate of Up to \$75.

## Purchase a Certified Clothes Dryer and Get a Rebate of Up to \$300.

New Jersey's Clean Energy Program is rewarding customers who purchase the most efficient clothes washers and clothes dryers with rebates.

Energy-efficient washers use on average 25% less energy and 40% less water than conventional models. To be eligible for a rebate, select clothes washers must be listed on [NJCleanEnergy.com/WASHERS](http://NJCleanEnergy.com/WASHERS).

Energy-efficient dryers present a significant savings opportunity as dryers are one of the largest energy-using appliances in the home. To be eligible for a rebate, select clothes dryers must be listed on [NJCleanEnergy.com/DRYERS](http://NJCleanEnergy.com/DRYERS).

**Please refer to the list on our website for eligible models.**

## PROGRAM GUIDELINES

- Applicant must be a customer of one of the following utilities:
  - Atlantic City Electric
  - JCP&L (First Energy)
  - PSE&G
  - Rockland Electric Company
  - New Jersey Natural Gas
  - Elizabethtown Gas
  - South Jersey Gas
- Only select clothes washer or clothes dryer models purchased between October 1, 2020 & June 30, 2021 are eligible for a rebate. Please see the complete list at [NJCleanEnergy.com/WASHERS](http://NJCleanEnergy.com/WASHERS) and [NJCleanEnergy.com/DRYERS](http://NJCleanEnergy.com/DRYERS).
- Some retailers provide instant rebates at the register at the time of purchase. If you received the instant rebate, you are not eligible for this mail-in rebate. For a list of retailers that provide instant rebates, go to [NJCleanEnergy.com/RETAILERS](http://NJCleanEnergy.com/RETAILERS).
- An application must be filled out for each appliance. If you are applying for a washer and a dryer rebate, you may apply for both on this application form.
- Completed rebate applications must be post- marked no later than 180 days from the purchase date.
- Application must be completed in its entirety, or it may be rejected. Rebate request must be accompanied by a **legible sales receipt**, which specifies the purchase date, item purchased, and indicates it is paid in full.
- Unit must be new and installed in New Jersey.
- Rebates are issued in the form of a check from New Jersey's Clean Energy Program (NJCEP) and are subject to available funds.
- Please allow 120 days from the date NJCEP receives ALL required information to process your rebate.
- Program procedures, requirements, and rebate levels are subject to change or cancellation without notice.
